Search for living things

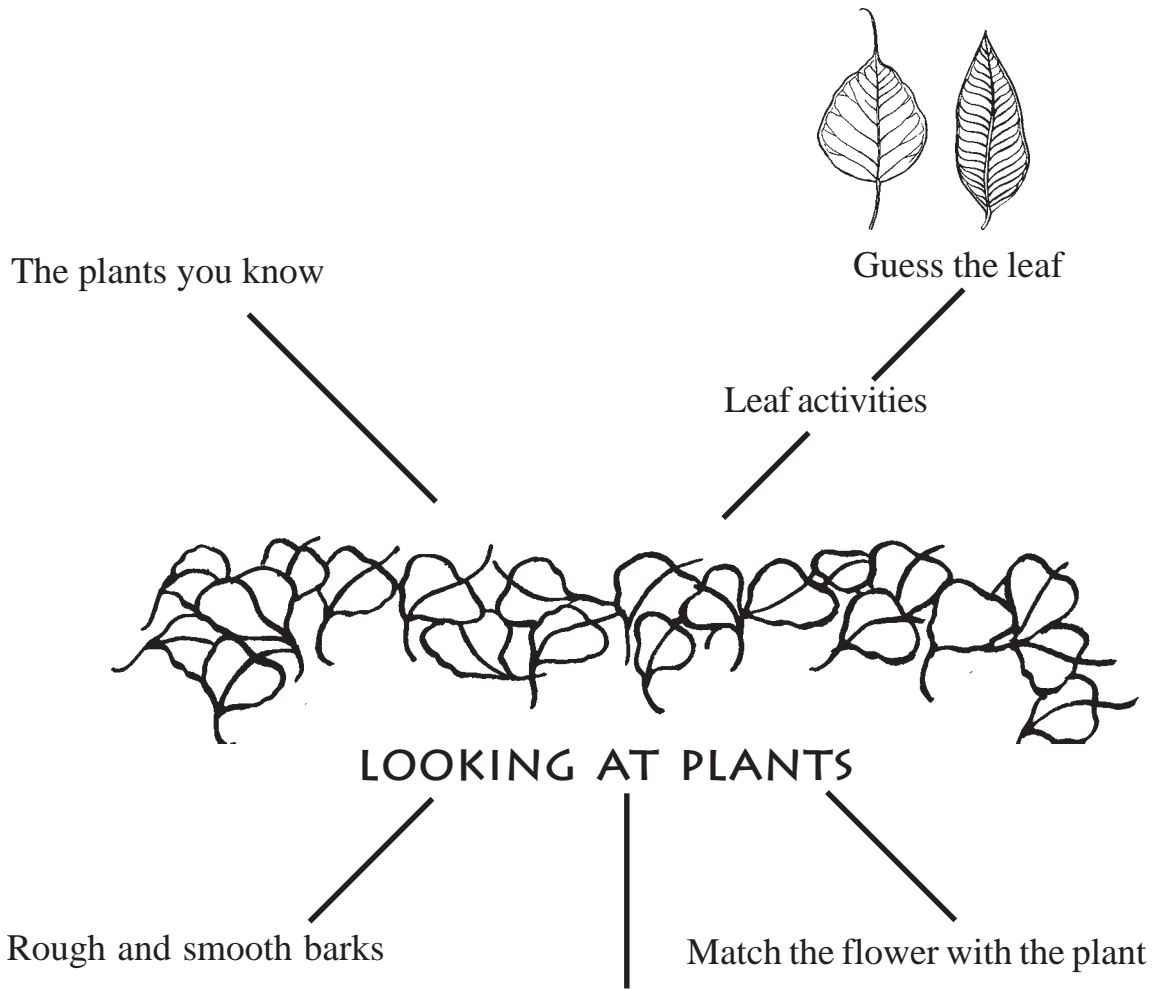

SO MANY LIVING THINGS!

In the classroom

Outside the classroom

Compare summer and rains

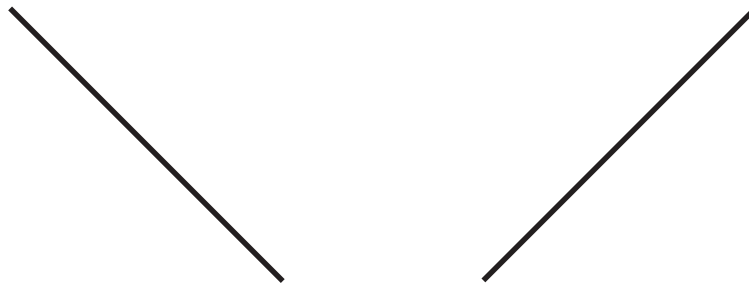

How many children to hold one tree?

Seeds in your kitchen

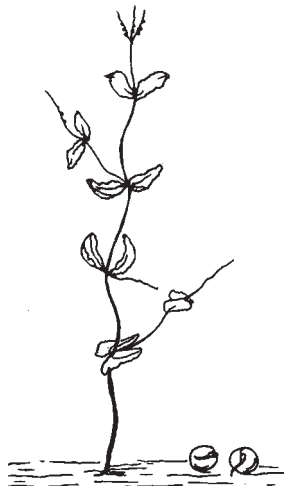

Plant a seed

GROW YOUR OWN PLANT

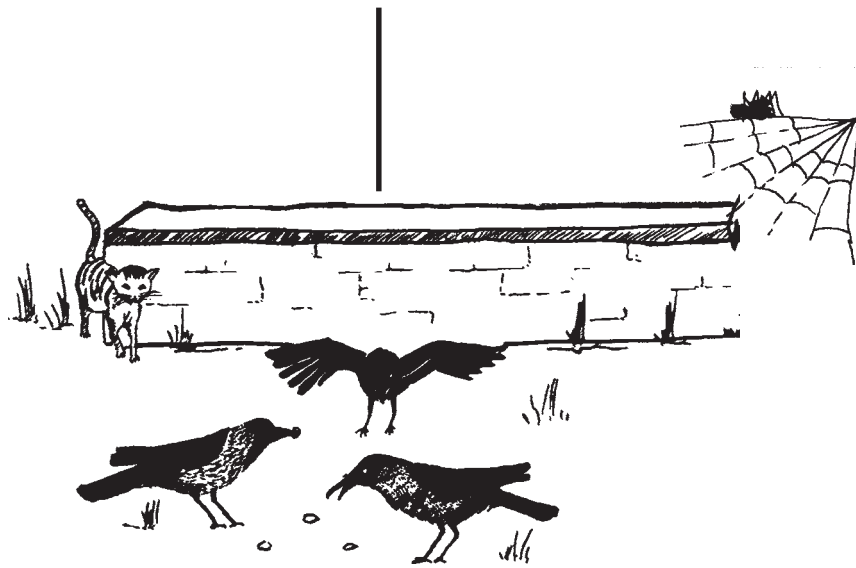

Watch closely

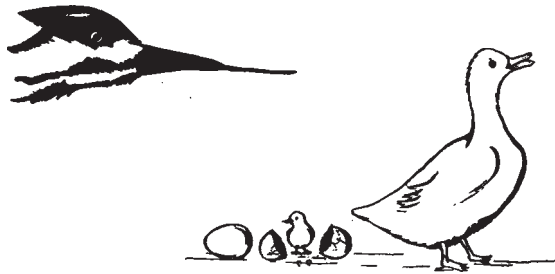

Who got the food

LOOKING AT ANIMALS

Birds

Flower visitors

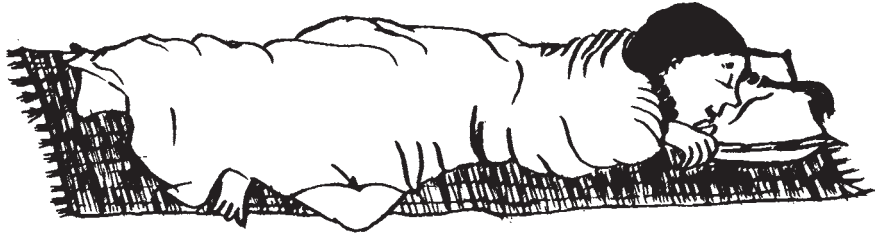

jump, crawl, blink, sniff

Action words

Touch and feel

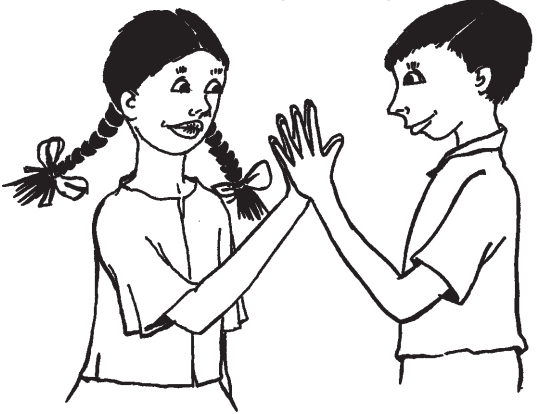

OUR BODY

Finger puppet

Smell and tell

You are growing

Know your grains

Vegetable market

OUR FOOD

How much water you drink

Washing and cooking

The foods you need

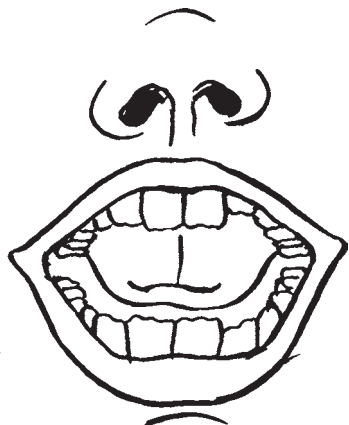

Energy givers

Body builders

Disease fighters

Looking at teeth

तथ्यदधन

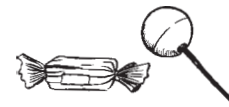

Talking with teeth

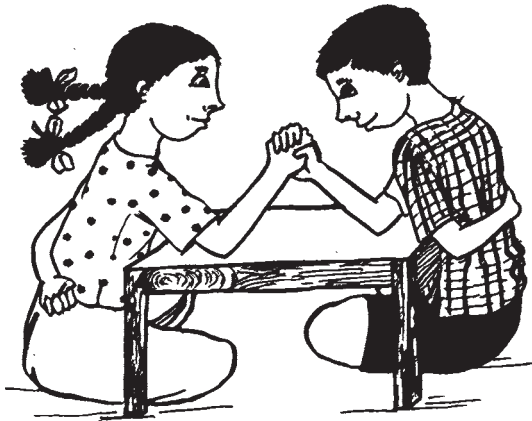

OUR TEETH

Food for strong teeth

Bad tooth habits

How strong are you?

Exercise well

TAKING CARE OF OUR BODY

Pass stools

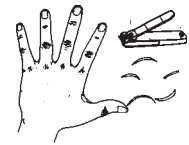

Have a bath

Comb your hair

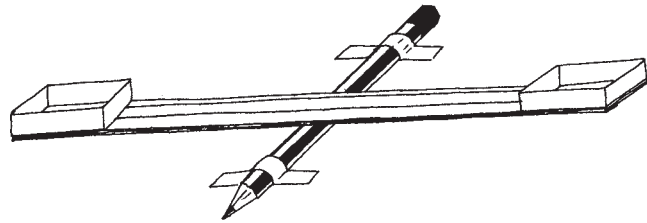

Cut your nails

10

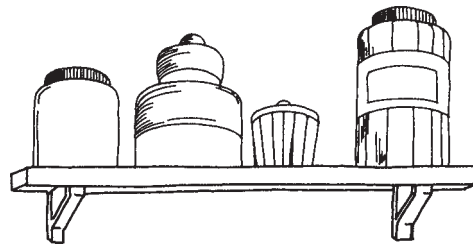

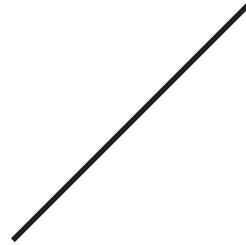

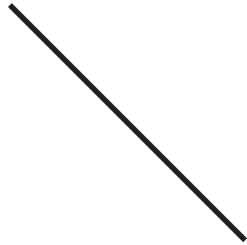

2B

MH-01
6972

Look for Numbers

How heavy is it?

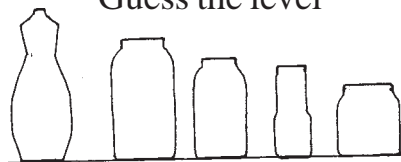

HOW MANY, HOW MUCH?

Musical beat

Counting time

tick-tick one,
tick-tick two,
.....

Guess the level

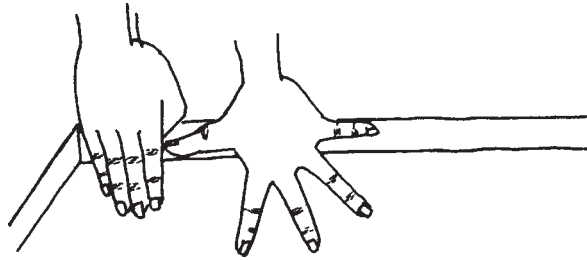

How much water does
the bucket hold?

Tall and short

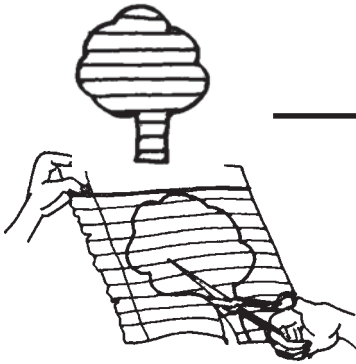

Measure with your body

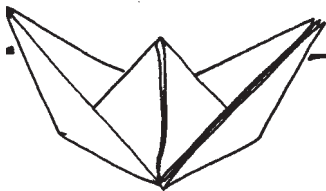

Measure with other things

Measure, cut and stick

Estimate length

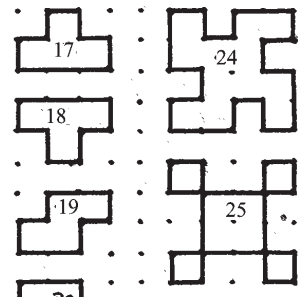

HOW LONG, HOW HIGH, HOW FAR?

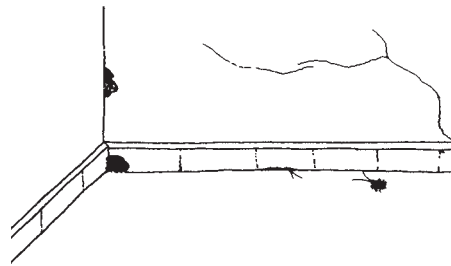

How many letters in your name?

1	2	3	4	5	6	7	8	9	10	11	12
V	A	N	E	E	T	A					
M	U	N	N	A							
M	O	H	A	M	M	A	D				
S	A	V	I	O							
N	I	T	U								

Copy the shapes

Homes inside your home

What are houses made from?

Materials in your classroom

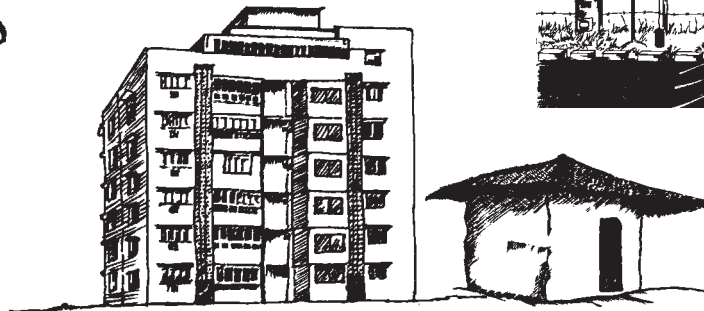

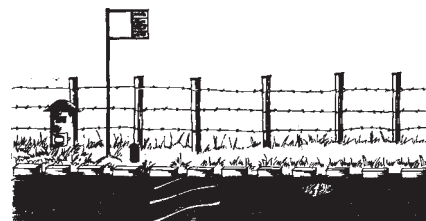

HOUSES OF ALL KINDS (BUILDING MATERIALS)

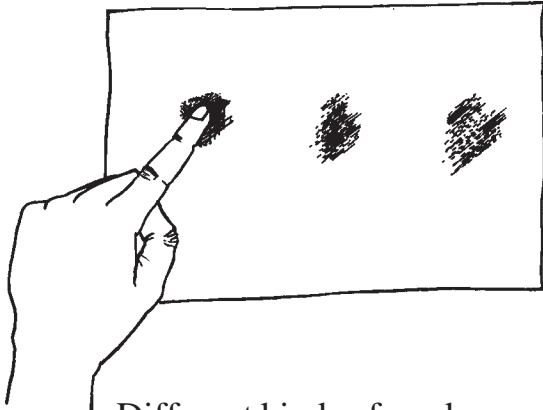

Houses of other animals

Things that people build

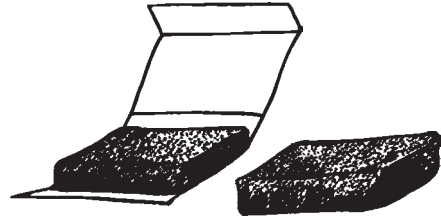

Where people live

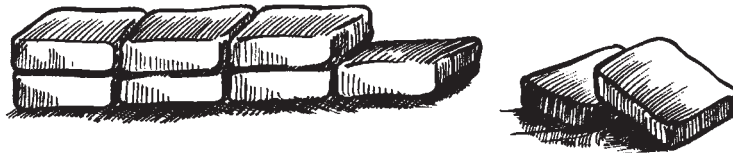

Different kinds of mud

Let's make bricks!

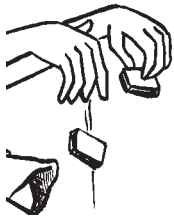

MAKE YOUR OWN HOUSE

How strong are your bricks?

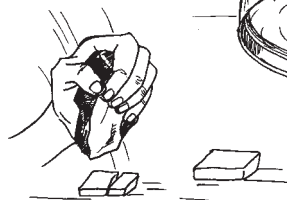

Build a wall

Build a house

Dropping

Hammering

Soaking
